

Governance Charter
&
Scheme of Delegation

Overview

Education is undergoing significant change in terms of structure, policy and delivery. Jigsaw Learning Trust (JLT) was established as a result of opportunities that were presented by these changes; and through its vision, aims and principles it provides its Academy Schools with the opportunity to work with autonomy in a strong, supportive structure. It is a company limited by guarantee and a charity.

We are in no doubt that the education sector faces more challenges in future years; at the very least increased outcomes and expectations with limited resources. The need for creativity, collaboration and school to school support has never been greater, and Head Teachers and Governors are seeking out strong structures to ensure that their schools remain viable, feasible and relevant to their local communities. Jigsaw Learning Trust aims to provide that environment whilst offering a broad curriculum, collaborative working and the opportunity for every child and adult involved in their schools to meet their potential.

Vision and Ethos

The Company's vision is as follows:

The child is at the heart of every decision we make and all that we provide for them. This will enable them to become life- long learners, compassionate, responsible citizens and develop beyond their own and others expectations.

The Company's ethos is as follows:

To create a stimulating environment in which staff will facilitate the holistic development of each and every child. Children will feel safe, secure, happy and valued. This will enable them to take risks and meet challenges, securing success for all.

Our core principles reflected throughout this Scheme of Delegation, in our practice and in our academy schools consist of:

- **Partnership and collaboration**
- **Mutual respect through effective challenge**
- **Autonomy for member schools**

The following pages outline how this is to be achieved in practice.

This Governance Charter will:

- o Ensure that the executive leadership specifically (CEO, heads of school and Finance Director) is clear about which decisions the trust board remain in control of
- o Ensure that the role of the executive is fully understood throughout
- o Promote a culture of honesty and accountability
- o Identify levels of responsibility and accountability

Principles of Governance

- This Governance Charter sets out the fundamental principles of the organisation and details the rules of governance. These are determined within:
 - The Articles of Association
 - The Scheme of Delegation
 - Terms of Reference
- The principles are based on the concept of 'Earned Autonomy' which delegates the greatest level of responsibility and decision making to the individual academy school as is appropriate for their individual circumstance.
- Jigsaw Learning Trust commits to reviewing and developing the Governance structures to take into account the dynamic environment of education and best practice.
- Financial governance must be compliant with the regulations laid out in the Academies Financial Handbook.
- Effective governance is supported by the structure of:
 - Trust Members
 - Trust Board
 - Local Governing Bodies
 - The Executive Team (SLT)

The Trust Board retains overall responsibility and ultimate decision making authority for all the work of the Academy Trust regardless of delegation outlined within this document; in line with the direct responsibility to the Department for Education and the Secretary of State for Education.

The Trust Board has absolute discretion to review and amend this document at any time.

In any conflict between this document and the Trust's Articles of Association, the Articles of Association shall prevail.

Working Principles:

Community schools for the community

- All academy schools will continue to engage and promote links with their local and regional community
- Academy schools will retain the school identity
- As Jigsaw Learning Trust we will be a beacon of excellent provision, learning and teaching
- All academy schools will be inclusive and responsive to their community needs

Learning, teaching and assessment (Standards & Achievement)

- The CEO will chair the Teaching, Standards & Achievement committee
- All academy schools will be represented on the Teaching, Standards & Achievement Committee
- The Teaching, Standards & Achievement committee will lead curriculum developments and monitor impact of initiatives
- Models of best practice will be freely shared throughout The Trust and beyond
- Academy Schools will share models of reporting, recording and evaluating of attainment, progress and wellbeing amongst other elements
- The CEO will support the writing of SDP and SEF documentation with local heads to ensure The Trust and school priorities are reflected and that resource are effectively and efficiently allocated and managed.

Governance

- Local Governing Bodies (LGBs) will be retained with their responsibilities clearly outlined in the Scheme of Delegation and Terms of Reference
- LGBs will be representative of their own school community and parents
- LGBs will be focused on Teaching and Learning, outcomes for pupils, resource allocation and safeguarding
- Functions not related to Teaching and Learning or pupil outcomes will be centralised where necessary to ensure best value and economies of scale
- LGBs will provide nominations to fill vacancies on the Board of Trustees (The Members, retain the power of appointment other than for Co-opted Trustees, for whom the Trustees retain the power of appointment)

Finance and Administration

- Jigsaw Learning Trust core functions must be adequately resourced
- Budgets are delegated in line with the Scheme of Delegation to the appropriate level. The Record of Financial Responsibility, Statement of Internal Control and Finance Policies detail the allocation process.
- The Trust has appointed a **Finance Manager** and **Operations Manager** to fulfill roles of support and development
- The Trust and Academy schools will always seek to secure best value in services, supplies and procurement.

Staff, pay, conditions and CPD

- The Trust will review and maintain policies as a central function with delegated ability for local amendment with the approval of the Board of Trustees

Powers of intervention

- The Trust Board has ultimate responsibility to the DfE for Standards across the MAT and has delegated the day to day responsibility for Standards to the CEO
- In order to achieve this, the CEO has power of intervention regarding:
 - Safeguarding concerns
 - Local leadership, management, governance capacity and capability
 - Financial and Administrative performance
 - Attainment and progress concerns
 - Curriculum suitability and provision concerns

Accountability for decisions

The Trust Board delegates authority to two key groups in order to ensure and achieve effective leadership and governance of the Academy Trust:

- The Executive Team (CEO & Head teachers, Finance Director and Operations Manager)
- The Local Governing Body

The purpose of this delegation is to:

- Avoid duplication of governance and reporting responsibilities
- Enable governance to be as close as possible to the point of impact

Delegation is based on the principle of Earned Autonomy.

The Terms of Reference and Scheme of Delegation provide clarity of where the decision making takes place. The clarity surrounding this provides an environment suitable for effective leadership and management as well as effective governance.

Intervention

The Trust Board remains ultimately responsible for Jigsaw Learning Trust and the conduct of all member academy schools. There may be circumstances when the Trust Board may need to intervene and may withdraw or amend delegated authority of a particular element of Governance. The Trust Board retains absolute discretion to withdraw or amend delegated authority at any time.

Intervention may take place relating to:

- Safeguarding concerns
- Local leadership, management, governance capacity and capability
- Financial and Administrative performance
- Attainment and progress concerns
- Curriculum suitability and provision concerns
- An adverse OFSTED inspection

An LGB Intervention Board may be established in exceptional circumstances.

Key Elements of Governance

Members

Members of the Trust have agreed the Trust's Articles of Association (the document which outlines the governance structure and how the Trust will operate). The Articles of Association describe how Members are recruited and replaced and how many of the Trustees the Members can appoint to the Trust Board. The Members appoint Trustees to ensure that the Trust's Charitable Objects are carried out and so must be able to remove Trustees if they fail to fulfill this responsibility. Accordingly, the Trust Board submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments to the Trust's Articles of Association.

Members are permitted to be appointed as Trustees. In order to retain a degree of separation of powers between Members and the Trust Board, and in line with DfE expectations, not all Members are Trustees. Members are not permitted to be employees of Jigsaw Learning Trust.

Trustees

The Trustees are the directors of the Trust and the Charity Trustees (within the terms of Section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Articles of Association. The Board of Trustees is the accountable body for the performance of all the schools within The Trust and as such has a responsibility to:

- Ensure clarity of vision, ethos and strategic direction
- Hold the executive to account for the educational performance of the schools and their pupils, and the performance management of staff
- Oversee the financial performance of The Trust and make sure its money is well spent.

The Trust Board will achieve this through:

- Setting the vision, ethos and strategy for The Trust and work with the academy

- schools to reflect this at a local level
- Establish the governance structures for The Trust at all levels, in keeping with the Articles of Association
 - Provide clarity, through the Terms of Reference and Scheme of Delegation, of where the governance functions are exercised.
 - Setting the level of accountability and authority of each level of governance through the Scheme of Delegation
 - Engaging with Academy schools' communities, parents, pupils and staff
 - Contributing to developing collaborative relationships and partnerships beyond The Trust
 - Ensuring that there is a strong and effective executive leadership structure and personnel in place across The Trust
 - Overview and scrutiny of Academy schools' education performance data
 - Overview and scrutiny of The Trust's financial capability and management systems to ensure compliance with the Academies Financial Handbook and delivery of best value for money.
 - Ensuring senior leaders within Academy schools are challenged to improve the education of their pupils
 - Developing The Trust's Board to ensure that it has the capacity, skills and succession plans to have a positive impact on outcomes for pupils

Jigsaw Learning Trust Board will set Trust-wide policy and principles.

The Trust Board will carry out regular skills audits of the Trustees. Where key trustee skills are missing on the Board, expertise will be sourced to support the challenge and scrutiny of specialist area such as Finance, human resources or educational performance.

The Trust is permitted to exercise all the powers of the Academy Trust. Trustees will delegate, to the CEO, the responsibility for all the day to day operations of the Trust. This document outlines the determination of the delegation of governance functions.

The Trustees have the right to review and adapt the governance structure of The Trust at any time which may include removing delegation as deemed appropriate.

Trust Board Sub-Committees

Jigsaw Learning Trust has constituted three Sub-Committees of the Trust Board

- Standards & Achievement
- Personnel
- Finance/Audit & Premises

The Trust Board Sub-Committees, though their Terms of Reference, provide the overview and high level scrutiny of their remit.

The Finance /Audit Committee will pay particular attention to the Academies Financial Handbook in carrying out its duties.

Executive Team

The CEO/Principal, Academy Head teachers, Finance Manager and Operations Manager constitute the core Executive Team. Operating under the direction and leadership of the CEO/Principal; the Executive Team works directly with the staff in each Academy school, to ensure that the required outcomes are achieved in accordance with the direction and vision of The Academy Trust Board. The school improvement lead will attend meetings in an advisory capacity.

CEO/Principal

The CEO/Principal has delegated responsibility for the operation of Jigsaw Learning Trust and all of the academy schools and therefore has a role in the performance management of the Executive Team and the Academy Heads. Where there is delegation to the Local Governing Body, this will usually be with the Chair of the LGB.

The CEO/Principal is the accounting officer so has overall responsibility for the operation of The Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability.

The CEO/Principal is accountable to The Trust Board for the performance of the Executive Team and the academy schools.

The Academy Head

The Academy Head is responsible for the day to day management of the academy school. The Academy Head is managed by the CEO/Principal. Where there is delegation, the Academy Head will report to the LGB and the CEO on delegated responsibilities.

Local Governing Body

Through the principle of 'Earned Autonomy' The Trust considers the role of the Local Governing Body to be an important one. Wherever possible The Trust has sought to ensure that the responsibility of decision making is closest to the point of impact.

The full responsibilities of the LGB are detailed in the Scheme of Delegation and the Terms of Reference but in broad terms include:

- To contribute to, and fulfill the vision and ethos of the academy school and The Trust as it relates to the academy school. LGBs have particular regard to the aims and

- ambitions for their pupils
- To implement and review the strategic plan for the academy school in conjunction with the Academy Head and CEO/Principal. The LGB is focused on the academy school performance and achieving sustained school improvement and having regard to any locally agreed priorities identified by The Trust Board
 - To act as a critical friend to the academy school leadership team; being ready to challenge and hold the school leaders to account for the performance of the academy school.
 - To oversee the management of the finances of the academy school, assessing the annual budget prepared by the Academy Head and submitting this for approval by The Trust's Finance/Audit & Premises Committee for ratification at The Trust Board. Deadlines for preparation are detailed in financial documentation. The LGB ensures that the academy school works within its allocated and agreed budget and adopts and implements the appropriate financial management policies and procedures as determined by The Trust and the Academies Financial Handbook
 - Engage with local communities and stakeholders
 - Report to the Finance/Audit & Premises, Standards & Achievement and Personnel Committee and The Trust Board as required.

The LGB is considered, in legal terms, to be a committee of Jigsaw Learning Trust and, as such has clear Terms of Reference and delegations as detailed in the Scheme of Delegation. Delegation can be removed from the LGB by The Trust Board in any one or more or all areas at any time at the Trust Board's absolute discretion.

MEMBERS – General Guidance

The Members of the Trust have a different role to that of the Trustees. They have agreed the Trust's Articles of Association. The Articles of Association outlines the governance structure and how the Trust will operate. The Articles of Association also describe how Members are recruited and replaced and how many of the Trustees the Members can appoint to the Trust Board.

The Members appoint Trustees to ensure that the Trust's Charitable Objects are carried out and so must be able to remove Trustees if they fail to fulfill this responsibility.

The Trust Board submits an annual report on the performance of the Trust to the Members.

Members are also responsible for approving any amendments made to the Trust's Articles of Association.

Members are permitted to be appointed as Trustees, but, in order to maintain a degree of separation and transparency of decision making between Members and Trustees, and in line with DfE expectations, not all Members are Trustees.

Members are not permitted to be employees of Jigsaw Learning Trust.

The Trust has 5 (five) Members. The minimum required by the Articles of Association is 3 (three). An employee of the Trust cannot be a Member.

Appointment and removal of Members

The Academy Trust must not appoint any new or replacement members until it has first informed them, and they have agreed, that their names will be shared with the Secretary of State to enable him to assess their suitability.

Before his or her appointment, a Member must sign a written consent to become a Member and he or she must sign the register of Members on becoming a Member.

The Members may agree by passing a special resolution to appoint such additional Members as they think fit.

The Members may agree by passing a special resolution to remove any Member. The Member whose proposed removal is the subject of the resolution is not entitled to vote on that resolution.

Any Member may resign provided that after such a resignation the number of Members is not less than three (3).

Jigsaw Learning Trust

Meetings of Members

The Trust Board has decided which decisions it will take for itself, what will be delegated to committees, (including any Local Governing Bodies), working groups or individual Trustees (The Chair) and what will be delegated to the Executive Team. Stakeholder Voices

Jigsaw Learning Trust Trustees are committed to consider the voices of various stakeholders and to put in place arrangements to receive feedback and to respond appropriately. This will include pupils, parents and staff. Academy schools are expected to be involved in considering the voices of these and other stakeholders including the local community.

Risk Management

The Charities Statements of Recommended Practice (SORP) set out requirements for reporting risks to a charity. The Statements of Recommended Practice on Financial reporting for charities state that the Trustees' annual report must include "a description of the principal risks and uncertainties facing the charity and its subsidiary undertakings, as identified by the charity trustees, together with a summary of their plans and strategies for managing those risks."

The Trustees' report must include a description of the principle risks and uncertainties faced by The Trust and any subsequent undertakings as identified by the Trustees. The report must also include a summary of the plans and strategies for managing these risks. Trustees must be specific in identifying and addressing each risk and not use general statements regarding risk management.

This must include:

- Operational Risks – employment issues, health and safety, fraud, service quality and development
- Financial Risks – accuracy of financial information, cash flow, reserves, over reliance on funding sources
- External risks – changes in government policy, economic factors, demographic changes, adverse publicity
- Regulatory Risks – compliance with legislation, changes in policy, changes in regulator

Trustees must therefore include

- Decision making processes to respond to risks identified, including where appropriate seeking advice from professional advisors
- Appropriate statements regarding the management of risks in their annual report

Management of Conflicts of Interest

Trustees have a statutory duty (through the Companies Act 2006) to:

- Declare the nature and extent of an interest, which conflicts (or could conflict) with any matter relating to the Academy Trust
- Avoid any conflict of interest between that interest and the interests of The Trust

Jigsaw Learning Trust

Charity law and guidance issued by the Charity Commission place obligations on the Trustees to manage any conflict between a Trustee's duty to Jigsaw Learning Trust and their own personal interests or where a Trustee may be influenced by conflicting duties to The Trust and a third party.

Further obligations are set out in the Conflicts of Interest Policy (Appendix 1) which Trustees are obliged to comply with.

Recruitment of Trustees

It is essential that the Board of Trustees for Jigsaw Learning Trust have a mix of skills and experience. Trustees must therefore be able to identify potential new trustees in order to plan for succession, which incorporates continuity of experience and expertise with new ideas and energy.

The Board is responsible for ensuring that:

- Skills of a new or potential Trustee fit with The Trust's requirements in the short, medium and long term

New Trustees will be properly inducted to ensure that they have the understanding regarding the nature and extent of their roles and responsibilities. It is the duty of the new Trustee to ensure they are familiar with the Objects of The Trust; its history and ethos and the nature and extent of its activities; and the content of Jigsaw Learning Trust's Articles of Association.

- The Articles of Association

LOCAL GOVERNING BODY - Terms of Reference

The role of a Local Governing Body is an important one. It is to provide focused governance at a local level and it is the intention of The Trust that LGBs will have the highest level of autonomy appropriate to their Academy School. The LGB monitors the Academy's development plan and key performance indicators. It acts as a critical friend to the Academy Head and Senior Leadership Team, offering challenge and support.

The LGB carries out its duties on behalf of the Board of Trustees in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to LGBs is a delegation of powers and duties and not a delegation of responsibilities.

The LGB will work closely with the Executive Team and will implement any advice or recommendations made.

The Trust Board retains the right to review or remove any power or responsibility delegated to the LGB under this constitution and terms of reference at any time and in the Trust Board's sole discretion, in particular, in circumstances where serious concerns in the running of the Academy School are identified, including (but not limited to) where:

- There are concerns about financial matters
- There is insufficient progress being made against educational targets (including where intervention by the Secretary of State is being considered or carried out)
- There has been a break down in the way in which the Academy School is being managed or governed or
- The safety of pupils or staff is threatened, including a breakdown of discipline

Where necessary, the Trust Board will put in place, for an appropriate period of time, an intervention board, which will be responsible for addressing the areas of weakness.

Composition of LGBs

Each LGB comprises the following members:

Academy Head (ex officio)

Jigsaw Learning Trust

Employees of the Academy Trust may sit on the LGB as long as they represent no more than one third of the LGB membership (including elected staff members).

The length of service of all Local Governors will be four (4) years. Subject to remaining eligible, any Local Governor may be reappointed or re-elected at the end of the term of office.

Every person wishing to become a Local Governor must be eligible to do so (as determined by the DfE eligibility criteria for Trustees) and carry out a criminal records check by the Disclosure and Barring Service (DBS)

Specific roles of the LGB will be determined by the LGB in order to effectively carry out their delegated responsibilities.

Local Governors are asked to:

- Prepare for and make an active contribution at meetings of the LGB and relevant roles/committees as assigned

- Familiarise themselves with the Academy School and MAT policies as appropriate
- Visit the Academy School both during school hours (with prior arrangement) and for evening events to get to know the Academy and to be visible to the Academy Community

Stakeholder Voices

LGBs are expected to have regard to the voices of their various stakeholders (especially pupils, parents and staff) and to put in place arrangements to receive feedback and respond accordingly. This includes through elected parent and staff local governors and more broadly.

Appointment of Local Governors

Chair – the chair is appointed by the Local Governors and cannot be a Trust employee. The term of office of the Chair is for 1 academic year, but the Chair is eligible for reappointment at the end of that term assuming that they remain eligible to be a Local Governor. The Trust is entitled to remove the Chair from Office at any time although this would not necessarily affect the individual's position as a Local Governor.

Jigsaw Learning Trust

The responsibilities of the Chair include:

- Chair meetings of the LGB
- Set the agenda for the meetings with the Academy Head(s) and Vice Chair
- Report to the Board of Trustees in writing following any LGB meeting if requested
- Provide verbal summaries of LGB deliberations, if requested at meetings of the Board of Trustees.

In the event of a need to make genuinely urgent decisions between meetings, on matters falling within the remit of the LGB; the Chair of the LGB, (or Vice Chair in the absence of the Chair) in consultation with the Chair of Trustees, will take appropriate action on behalf of the LGB. The decisions taken in these circumstances and the reasons for the urgency must be explained fully at the next meeting of the LGB and Board of Trustees.

Vice-Chair is appointed by the Local Governors and cannot be a Trust employee. The term of office of the vice-chair is one year but is eligible for reappointment at the end of that term assuming they remain eligible to be a Local Governor.

The Trust Board is entitled to remove the Vice-Chair from office at any time, although this would not necessarily affect the individual's position as a Local Governor.

The responsibilities of the Vice Chair include:

- To deputise for the Chair during a period of absence
- To set agenda for meetings of the LGB with the Chair, if requested
- To provide a link between the LGB and Board of Trustees.

If moving to another Academy School within The Trust, they then become eligible for election to that specific Academy School LGB as a Staff Local Governor. The responsibility of the Staff Local Governor is to be representative of Staff views and is not a delegate of the Staff Body (other staff cannot instruct them on how to vote or what to say at LGB meetings)

Jigsaw Learning Trust

Employees of the Academy School are eligible to be appointed as Community/Co-opted Local Governors as long as they represent no more than one third of the LGB membership (including elected staff members). APPENDIX ONE

Conflict of Interest Policy

Background

What is a CONFLICT OF INTEREST?

A conflict of interest arises when the best interests of an individual Member, Trustee, Local Governor or volunteer are, or could be, different from the best interests of Jigsaw Learning Trust (The Charity itself, or any of the Academy Schools).

This may be something that affects the individual directly for example:

An individual owns a building company which is currently a little short on work and the charity needs some building work done. As an individual, they would like the work to be given to their company, but has a responsibility to choose the best company for the job – which may or may not be that company.

Or it may be something that affects the individual indirectly, through a family member, friend, business partner or other close associate for example:

The Charity is offering a new play scheme for children with disabilities, but the number of places is very limited, an individual has a disabled nephew who would benefit from a place. As an individual there is a responsibility to ensure that all places are offered on a fair basis to those most in need – which may or may not include the nephew.

Conflicts of interest may be ongoing, for example someone who is related to a service user or is also a trustee of another local organisation, or they may be one off for example awarding a one off contract.

A conflict of loyalty is a particular kind of conflict of interest where the duties the individual owes to another body or organisation are, or could be in conflict with the duties owed to the Charity.

For example:

A trustee sits on two different trustee boards and both organisations are planning to apply for the same funding opportunity which is competitive and which only one organisation can win.

In some cases, an ongoing conflict may affect an individual's ability to participate in decisions so often or so much, that it is impractical for them to continue in post (or to accept the post in the first place)

Jigsaw Learning Trust

Duty to the Academy School and Jigsaw Learning Trust.

There is a duty to put the best interests of the Academy School and Jigsaw Learning Trust first and to safeguard the assets and reputation of the Charity. There is also a duty to avoid conflicts of interests.

Where conflicts do arise, there is an obligation to declare that conflict.

Benefit is not limited to financial benefit, but includes favourable treatment of any kind which could be said to have a financial value. This includes biased access to services or employment opportunities.

In practice, this almost always means that individuals cannot receive benefit for their work as a Trustee, Local Governor or volunteer, in many instances they can be paid for additional services which are not part of their trustee/governance/volunteer role such as the example of the building work given prior, provided that it is in the best interests of Jigsaw Learning Trust or Academy School and specific procedures are followed, as set out in the Articles of Association.

Members, Trustees, Local Governors and Volunteers can be reimbursed for expenses, and these include any costs that are necessary to allow them to carry out their duties and can be claimed back (against receipts) in accordance with MAT and Academy School policy.

The no benefit requirement also does not mean that an individual or their friends and family cannot receive services from The Trust, providing that they receive them on exactly the same basis as everyone else.

There are intangible benefits to being a Member ,Trustee, Local Governor or volunteer, including increased skills and knowledge, a wider circle of colleagues and friends and a sense of fulfilment and achievement. Generally these do not give rise to conflicts of interest.

What Problems Can Arise?

Conflicts of interest can give rise to a number of problems. They may:

- Result in decisions or actions that are not in the best interest of Jigsaw Learning Trust or Academy School
- Risk the impression that the organisations have acted improperly
- Prevent frank and open discussion

Even the appearance of a conflict of interest can damage the reputation of the Trust, or Academy school, so any conflicts need to be managed carefully and transparently.

Jigsaw Learning Trust

Conflict of Interest Policy

The attached policy makes it clear that Jigsaw Learning Trust is committed to ensuring its decisions and decision making processes are, and are seen to be, free from personal bias and do not unfairly favour any individual connected with it.

The policy protects both the organisation and the individuals involved, from any appearance of impropriety, and provides guidance on what to do when conflicts of interest arise.

It provides a clear framework and process to make sure that conflicts are handled consistently and properly.

Definition

A conflict of interest arises when the best interests of an individual are, or could be different from the best interests of Jigsaw Learning Trust and Academy Schools.

This may be something that affects the individual directly or indirectly through association.

Statement of Intent

Jigsaw Learning Trust and the Academy Schools are committed to ensuring its decisions and decision making processes are, and are seen to be, free from personal bias and do not unfairly favour any individual connected with them.

Policy

It is the policy of Jigsaw Learning Trust and Academy Schools and to:

- Ensure that all individuals understand what constitutes a conflict of interest and that they have a responsibility to recognise and declare any conflicts that might arise for them.
- Document the conflict and the action(s) taken to ensure that the conflict does not affect the decision making of the organisation.
- All Members, Trustees, and staff will complete and file a Register of Pecuniary and Other Interests form and at least annually review and update this document.
- Declare at each meeting any interest that may result in a conflict arising on the agenda.

In the interests of frank and open discussion, an individual affected by conflict of interest must leave the room when related discussion/decision making is taking place, unless there is a good reason for them to stay (and they will not participate in any vote in relation to the area of interest).

Jigsaw Learning Trust

The minutes should state:

- The declared conflict of interest
- That the individual left the room or the reason that they were asked to stay
- That the individual took no part in the discussion or decision making on the matter (other than information provided if requested)
- That the meeting was quorate (not counting the affected individual)
- Any other actions taken to manage the conflict.

The declarations made on the Register of Pecuniary and other Interests forms will be publically available on the website in line with DfE regulations regarding declarations.

If an individual is unsure what to declare, they should err on the side of caution, and discuss the matter with the Chair of the Committee or the Chair of Trustees for confidential guidance.

APPENDIX TWO

The Code of Practice for Members of the Governing Body

This is an abbreviated form of the HM Treasury Guidance for Codes of Practice for Board Members of Public Bodies. The full version can be found in the Academies Financial Handbook.

We are responsible for over £1million of public money and must therefore take care in how we behave and conduct ourselves. These guidelines are intended to help us do that.

1. The Seven Principles of Public Life, which should underpin the work of every public body:

Selflessness: holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefit for themselves, their family, or their friends.

Integrity: holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.

Objectivity: in carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merits.

Accountability: holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness: holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty: holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interests.

Leadership: holders of public office should promote and support these principles by leadership and example.

2. **Responsibility:** the Board is ultimately responsible to the Secretary of State for Education, who in turn is answerable to Parliament for our policies and performance, as laid down in the company Memorandum of Understanding and Articles of Association and through our Funding Agreement with the DFE.

3. **Use of financial and other resources:** Board Members must at all times observe the highest standard of propriety, maximise value for money and be accountable to the users of the services and its staff for its activities and performance. Board members have a duty to ensure the safeguarding of public funds. They must take appropriate measures to ensure that the body at all times conducts its operations as economically, efficiently and effectively as possible.

Jigsaw Learning Trust

4. Responsibilities of the chair: the chair has particular responsibility for providing effective strategic leadership and ensuring that the board meets at regular intervals throughout the year, and that the minutes of meetings accurately record the decisions taken and, where appropriate, the views of individual board members. The chair should ensure that all members of the board, when taking up office, are fully briefed on the terms of their appointment and on their duties, rights and responsibilities. The chair should encourage new board members to attend an induction course on the duties of board members.

5. Members of the Board have corporate responsibility for ensuring that the public body complies with any statutory or administrative requirements for the use of public funds, and ensuring that high standards of corporate governance are observed at all times. Like others who serve the public, they should follow the Seven Principles of Public Life set out at paragraph 1 above. They must undertake on appointment to comply at all times with this Code of Practice, act in good faith and in the best interests of the Academy, not misuse information gained in the course of their public service for personal gain or for political purpose. Board members are expected not to occupy paid party political posts or hold particularly sensitive or high profile unpaid roles in a political party.

6. Conflicts and declarations of interest: Members of the Board should not seek to use their membership to promote their private interests or those of connected persons, firms, businesses or other organisations. They should declare publicly any personal, private or business interests which may be perceived to conflict with their responsibilities as Board Members and ensure that they comply with the board's rules on the acceptance of gifts and hospitality. The clerk will maintain a register of interests which will list direct or indirect pecuniary interests which members of the public might reasonably think could influence a Members' judgement. Members should also register non-pecuniary interests which relate closely to the body's activities, and the interests of close family members and persons living in the same household. The register of interests will be open to the public. Members of the Board should not participate in discussions or determination of any matters where they have a pecuniary interest.

7. Personal Liability of Board Members: although any legal proceedings are likely to be brought against the board, in exceptional cases proceedings may be brought against individual board members. For example, a board member may be personally liable if he or she makes a fraudulent or negligent statement which results in loss to a third party. Board members who misuse information gained by virtue of their position may be liable for breach of confidence under common law. However, the Government has indicated that individual board members who have acted honestly and in good faith will not have to meet out of their own personal resources any personal civil liability which is incurred in execution or purported execution of their board functions, save where the person has acted recklessly.

Jigsaw Learning Trust

8. Publicity and annual reports and accounts: Board Members should conduct all their dealings with the public in an open and responsible way. They should, where practical and appropriate, hold open meetings, release summary reports of meetings, and invite evidence from members of the public on matters of public concern. They will need to act consistently with the nature of the body's business and the possible need for confidentiality on commercial or other grounds. There should be well publicised and easy-to-use complaints procedures. As part of its responsibilities for the stewardship of public funds, the Board must ensure that it includes a full statement of the use of its resources in its Annual Report and Accounts. The Annual Report and Accounts should be published as a single document and should be publicised. It should provide a full description of the board's activities; state the extent to which key strategic objectives and agreed financial and other performance targets have been met; list the names of the current members of the board and senior staff; and provide details of remuneration of board members and senior staff.

9. The CEO/ Head teacher has responsibility, under the board, for the overall organisation, management, and staffing and for its procedures in financial and other matters, including conduct and discipline. This involves the promotion by leadership and example of the values embodied in the Seven Principles of Public Life. The CEO/Head teacher will be designated as the accounting officer. The essence of the role is a personal responsibility for the propriety and regularity of the public finances for which they are answerable; for the keeping of proper accounts; for prudent and economical administration; for the avoidance of waste and extravagance; and for the efficient and effective use of all the resources in their charge. The accounting officer has a responsibility to see that appropriate advice is given to the board on all these matters.

10. The Board has a responsibility to monitor the performance of the CEO/ Head teacher and other senior staff. In determining the level/s of performance related pay of the Head teacher/s and other staff, the Board Members should ensure that they have access to the information and advice required to make the necessary judgements.

11. The Board as employer should ensure that it complies with all relevant legislation and that it employs suitably qualified staff who will discharge their responsibilities in accordance with the high standards expected of staff. The Board should ensure that the organisation adopts management practices which use resources in the most economical, efficient and effective manner; that the rules for the recruitment and management of staff provide for appointment and advancement on merit on the basis of equal opportunity for all applicants and staff; that its staff, and the board's own members have appropriate access to expert advice and training opportunities in order to enable them to exercise their responsibilities effectively. The board should adopt a code of conduct for its staff and ensure that it covers arrangements enabling members of staff to raise concerns about propriety with a nominated official or Board Member.
